Bitch and Stud Owners' agree to supply each other with the following documents (copies):

- 4-5 generation pedigree
- a good quality color stacked photo
- AKC/ASCA registrations Or CKC/ASCA Or FCI/ASCA where applicable
- ASCA DNA certificate (AKC or other applicable kennel club if not in the USA)
- OFA or equivalent hip and elbow evaluation certificates
- Eye exam with certified ophthalmologist dated within 1 year from date of breeding
- Negative brucellosis
- A minimum of HSF4 and MDR1 testing

The above named stud dog will be bred to the above named bitch with the following terms to apply:

- 1) The stud fee of \$_____ is due and payable _____. All stud fees are non-refundable. **Initial** _____
- 2) If the stud fee is a puppy back (2nd pick puppy), the decision will be made at 8 weeks of age. All puppies must be present and no puppies are to be placed until the stud dog owner has made her decision. The bitch owner will provide the stud owner with full AKC and ASCA registration papers. The stud fee puppy will solely carry the Sky Creek kennel name and will be owned solely by Sky Creek. **Initial** _____
- 3) If stud fee is paid and stud owner would like to have "2nd pick puppy" after seeing the litter and the bitch owner agrees, the stud fee will be refunded. **Initial** _____ **Initial** _____
- 4) Bitch owner warrants that the bitch described above is owned/leased by them and that they have the authority to do this breeding. If bitch is leased, bitch owner will supply a copy of the lease agreement between themselves and the owners' of record of said bitch. **Initial** _____ **Initial** _____
- 5) Keep the bitch in a confined area to insure that she is not mated with any other dog. A mis-mate before or after stud service would cancel stud service agreement. **Initial** _____ **Initial** _____
- 6) In the event that this bitch was bred to another male (either by plan or by accident), owner will forgo all stud fees and return services, but will still be required to provide DNA paperwork (at bitch owner's expense) on any pups resulting from the litter. (unless by fault of stud owner) **Initial** _____
- 7) In the case of a live cover breeding, all shipping, transportation and progesterone costs are the responsibility of the bitch owner. If shipping via cargo flight, please ship in a 400 size crate. Many airports will reject shipping an Aussie in any size smaller. Airport fee: \$50 each trip to Kansas City International Airport. Should something prevent a live cover from happening, bitch owner agrees that stud owner may perform a side by side AI. **Initial** _____
- 8) In the case of fresh chilled semen for artificial insemination, the bitch owner is responsible for any fees associated with breeding, including but not limited to veterinary services, collection of semen, preparation of semen for shipment, shipping fees, ovulation timing, and AI fees. Bitch owner agrees to run progesterones until bitch ovulates in order to determine proper time of semen shipment. In the USA, general costs of shipping semen are approximately \$50 for the kit with extender and \$100-200 for FedEx overnight shipping (this cost can vary greatly based on destination and weekday/weekend delivery). Stud owner generally sends 2 collections in 1 box for maximum coverage. **Initial** _____
- 9) If bitch is to be boarded at the stud owner's home, the bitch owner will supply stud owner with enough food supply for the bitch while in the stud owner's care. If food cannot be supplied, the stud owner will be notified of the brand and will make every effort to accommodate the bitch. The bitch owner will reimburse the stud owner for any food and/or supplements the stud owner provided for the bitch while

- in their care. If the bitch remains with the stud owner longer than a period of 7 days, a boarding fee of \$10 per day will be charged starting on day 8. **Initial**_____ **Initial**_____
- 10) Stud owner will take every precaution to ensure the safety and well-being of the bitch while residing with the stud owner, but will not be held liable for any sickness, accident, injury, or death. If the bitch dies while under the stud owner's care, any paid stud fee will be refunded to the bitch owner and the stud owner will not be responsible for any further expenses pertaining to the bitch. Any veterinary care required for the bitch while in the stud owner's care is the responsibility of the bitch owner and is payable within 7 days of the veterinary services. **Initial**_____ **Initial**_____
 - 11) Stud owner guarantees a minimum of 3 live puppies. If this breeding results in fewer than 3 pups, a repeat breeding will be given within 18 months with same terms and conditions as set forth in this contract. Should less than 3 puppies survive due to negligence on the part of the bitch owner, due to death from disease, the owner of the stud will not be obligated to give a free return service. This contract will then be considered fulfilled. **Initial**_____ **Initial**_____
 - 12) In the event that a repeat breeding is required to fulfill this contract and the stud dog is no longer available due to death, ill health, or infertility, the bitch owner may at their expense use frozen semen if frozen semen is available or choose to use another stud dog owned by the stud owner with all other terms remaining the same. If the bitch owner chooses not to select either of the aforementioned solutions, no monies will be returned and stud dog owner will be released from any further obligations under the terms of this contract. If the bitch is no longer available due to death, ill health, or infertility, the bitch owner may substitute one of their other bitches with the approval of the stud owner. **Initial**_____ **Initial**_____
 - 13) Notify the stud dog owner within 48 hours after the litter is whelped or within a week of the due date if no litter is whelped. **Initial**_____
 - 14) Keep a descriptive record of all puppies including those that died or were culled. (Markings, rear dew claws, tail length) Provide information to stud owner if requested. **Initial**_____
 - 15) No exceptions. Mismarks will be placed in pet homes on spay/neuter contracts. **Initial**_____
 - 16) Have all the tails docked (if not a natural bob) in accordance with AKC/ASCA standards and all dew claws removed on all pups by the age of 4 days (unless puppies are registered in foreign country where docking is banned). **Initial**_____
 - 17) The bitch owner must have all puppies from this mating examined by certified ophthalmologist between 6-8 weeks of age and notify stud owner of the results. Any puppies not passing, will be placed in spay/neuter homes. **Initial**_____
 - 18) The bitch owner agrees to provide stud owner with pictures and/or video of the entire litter prior to the puppies leaving for their new homes. Pictures shall provide two side stacked shots (show side and off side), front, and rear in order to see to conformation. These photos should be taken between 6-9 weeks with 8 weeks being the optimum age. **Initial**_____
 - 19) Sell all puppies on a written contract. Companion puppies will be sold with a spay/neuter clause and registration papers will be marked limited. **Initial**_____
 - 20) No puppies from this breeding will be sold to any pet shops, brokers, commercial breeders, or given to the Humane Society, SPCA, or animal shelters. **Initial**_____
 - 21) No puppies from this breeding will be sold to a potential buyer who breeds outside the ASCA/AKC standard. IE...Toy or Mini Aussies Or to anyone intending to cross breed with any other breed including but not limited to Mini American Shepherds. **Initial**_____

- 22) The bitch owner will notify stud owner of any titled offspring from this breeding. **Initial**_____
- 23) The bitch owner will notify stud owner if any hereditary or genetic problems arise with the bitch or offspring. **Initial**_____
- 24) The stud owner will notify bitch owner if any hereditary or genetic problems arise with the stud or his other offspring. **Initial**_____
- 25) The stud owner agrees to sign any registration documents that are necessary for the registration of the litter (if all terms above have been satisfied). **Initial**_____

Amendments

Any breach of this contract by the Bitch Owner will be subject to a \$5000.00 fine to be paid to the Stud Owner.
